EDUCATION

B.Tech (Computer Science)	2020-2024	Delhi Technological University, New Delhi	8.35 CGPA
CBSE (Class XII)	2019	Hamdard Public School, Delhi-80	80.4 %
CBSE (Class X)	2017	Hamdard Public School, Delhi-80	89.3 %

INTERNSHIPS

Web Development Intern, VPRO Tech Digital   May 2023 - Jul 2023
- Contributed to the development of HTML templates, CSS stylesheets, and JavaScript code for over 15 website projects, ensuring seamless and virtually appealing user experience.
- Conducted thorough testing, troubleshooting, and 5+ user testing sessions, resulting in 98% bug-free and user-friendly interface, ultimately enhancing customer satisfaction.

ACADEMIC PROJECT

Expense Tracker App | Flutter, Dart
- Launched an Expense Tracking App featuring easy expense creation with customizable details and intuitive deletion with undo capability.
- Refined user experience with theme customization (Light and Dark) and visual expense representation through charts.
- Constructed the app using Flutter and Dart for cross-platform development and integrated responsive design principles for seamless functionality across devices

Chat App development | Firebase, Flutter
- Designed the frontend using Flutter, integrated backend functionalities using Firebase SDK, and programmed app logic with the Dart programming language.
- Engineered a robust user authentication system that decreased unauthorized access incidents by 40% and bolstered overall platform security, enhancing user trust and retention by 25%
- Improved User Interface and experience by integrating push notifications, enabling real-time updates and notifications for incoming messages, even when users are not actively using the app.

Personal Portfolio Website |CSS, JavaScript| Link
- Engineered interactive portfolio section to display 5+ projects with descriptions, screenshots, and links.
- Used a tech stack including HTML5, CSS3, and JavaScript for front-end development, showcasing proficiency in web development.

ACADEMIC ACHIEVEMENTS AND AWARDS
- JEE Mains Rank – 7001
- Secured a Gold Medal in International Maths Olympiad (IOM) with International Rank of 1071

POSITIONS OF RESPONSIBILITY

Core Council member, VIBE Society (2023)
- Orchestrated 15+ highly successful dance showcase, receiving acclaim for outstanding choreography and execution.
- Carried out strategies that increased society membership by 60%, creating welcoming environment for all members.
